**sales - customer chat**

customer: Hi, I'm looking for a power supply for my PC. I need a 1000Watt power supply. Can you help me?

sales: Sure, I can help you with that. What kind of PC are you using?

customer: I'm using a Dell XPS 8700. I need a power supply that can handle the power requirements of the system.

sales: Okay, I'll check the specifications for the Dell XPS 8700. I'll get back to you with a quote as soon as I can.

customer: Thank you. I'll wait for your response.

sales: I'll be right back.

customer: (The chat window is now empty, showing only the input field and the 'Type Message' button.)
